

LUNA AND THE THREE SOFT CHAIRS

A Goldilocks adventure about asking first.

Someone's cottage
smells like cinnamon soup!

My tummy filed a report.
Investigation: snacks.

LUNA AND THE THREE SOFT CHAIRS

A Goldilocks adventure about asking first.

Luna: "Too hot... too cold...
oh—this one is just right!"

Dot: "She didn't ask the bowls.
Rude bowls? Rude us?"

LUNA AND THE THREE SOFT CHAIRS

A Goldilocks adventure about asking first.

Oof! I am furniture,
not a trampoline!

SQUEAK!

Discovery: chairs
have feelings and
backaches.

Whee—wait—
whoops!

We are making a
feather festival
without invitations.

Dot... did we ask
permission?

Permission is the
secret spice. We
forgot the spice.

Baby Bear:
"You sat in my chair...
but you look sorry."

Mama Bear:
"Sorry is a start.
Asking is the
full recipe."

Luna: "May we please share these...
and help tidy the feathers?"

Homes stay warm
when guests ask first.

Next time I'll knock with
my words before my feet.

And my tummy
will wait for an RSVP.

THE END

Ask before you borrow — kindness keeps homes warm.
