TINY PAW'S BIG RESCUE

A Lion & Mouse adventure about promises.

I am too big for this
knotty nonsense!

Perfect job for
tiny teeth.

A close-up of Simba, a young lion with a golden mane, looking down at Timon, a small meerkat wearing a red cape. Timon is sitting on a pile of thick, braided rope and holding a piece of it in his mouth. The background is a savanna landscape at sunset, with warm golden light and silhouettes of trees.

Leo: “Steady... you’re
doing giant work.”

Miri: “Promises
taste like rope.
Weirdly motivating.”

A vibrant illustration of a lion and a mouse in a savanna setting. The lion, with a large golden mane, stands in the center, looking down at a small mouse. The mouse, wearing a red cape, stands on its hind legs. To the right of the mouse is a large, woven basket. In the background, a crowd of animals, including a giraffe, a warthog, and several birds, are cheering and raising their fists. The scene is set during a sunset or sunrise, with a warm orange glow. Two speech bubbles are present: one on the left saying "Tiny paws win!" and one on the right saying "Size is loud. Help is louder."

Tiny paws win!

Size is loud.
Help is louder.
