

THE BRAVE LITTLE LANTERN

A night adventure about real courage.

THEO: What if the dark is too big?

LUMI: Then we make a small bright.

SQUEAK: I vote we invent daylight.

LUMI: Courage needs one step.

A cartoon illustration of a young boy with brown hair, wearing a red long-sleeved shirt over a white t-shirt and blue jeans, falling off a large tree stump at night. He has a surprised expression with wide eyes and an open mouth. The background is a dark forest with glowing yellow lights and purple flowers. A green dinosaur with a pink spine and tail is sitting on the ground, cheering with its mouth wide open and one fist raised. The scene is illuminated by warm, golden light.

**My dignity
disagrees.**

Hero landing!

Fear draws dragons on fog.

Kindness erases them.

FOG-BEAST: I can't find my cave...
everything looks like soup.

A cartoon illustration of a boy with brown hair and a red shirt sitting on a bed, reading a blue book. A large, white, cloud-like monster with a face is sitting on the bed next to him, crying with large tears. The boy is holding a green dinosaur toy. In the background, a girl with brown hair and a pink headband is hanging upside down from a wooden structure. A brown dog is sitting on a shelf, and a purple teddy bear is on a stack of books. A lamp is on a table to the left. The scene is set in a room with purple walls and a window with white curtains.

Are you crying fog?

It's dramatic humidity!

LUMI: I'm scared too.
We can be scared together
and helpful.

Bravery doesn't remove night.
It shows the next root.

You didn't fight me.
You found me.

THEO: I thought
brave meant loud.

LUMI:
Brave can whisper.

"And sleeping is boring," you
grumble and sigh,
While staring and staring into
the night's sky.
When all of a sudden the wind
starts to whirl.
The air comes alive. The dog's
tail starts to twirl.

LUMT:
Paid in courage.

SQUEAK:
Official sidekick.
Salary crumbs.

You think sleeping's boring? That's simply not true!
Guess now's the best time to share something with you.
This something's a secret — a secret I keep.
A secret that fills up your nights while you sleep.

Quiet heroes
still change the map.

THEO: Next time
I'm afraid...

LUMI: We take
the kind next step.

Courage isn't a roar.
It's a small light that keeps walking.

THE END.

Feel the fear.
Do the next kind
thing anyway.

Digi World The Brave Little Lantern.

A glowing lantern sits on a mossy rock in a dark, misty forest. Swirling blue smoke or magic rises from the lantern, and purple flowers and mushrooms are visible on the forest floor.
