

THE FRIENDSHIP POT

A stone-soup story about sharing.

I wish I had a
carrot... my tummy
is rumbling!

Don't worry, friends!
I found this shiny
magic stone!

And I have
no more wheat
to share!

My tummy is
empty too! Just some
leftover herbs...

Cooking Friendship Soup!

Better than
a sad pebble!

This carrot
has courage!

THE FRIENDSHIP POT

A stone-soup story about sharing.

The pot wasn't magic. You were.

This tastes like
everybody!
